### Public meeting on proposed rezoning in Ermineskin for low-rise apartments

Community members are invited to a public meeting about a proposal to rezone properties at 2510-104 Street NW and 10407 / 10411-26 Avenue NW. The proposed rezoning will allow for construction of a low-rise apartment building with a maximum height of 15 metres and up to 100 residential units.

**Date:** Tuesday, June 23, 2015

**Time:** 6:30 – 8:30 p.m.

**Location:** Ermineskin Community League Hall, 10709-32 Avenue NW

The proposal also seeks to amend the designated land use for the site in the Kaskitayo Outline Plan, from Single Family Low Density to Multiple Family Medium Density to reflect the proposed rezoning.

The meeting will be an opportunity to learn more about the proposal and provide feedback to the City and the applicant, Regency Developments. Feedback will be summarized in a report to City Council before a final decision is made on the proposed rezoning.
