Form, function and Pecha Kucha fun

Edmonton's NextGen is looking for presenters for [Pecha Kucha Night \(PKN\) 23](#), scheduled for September 17 at the Citadel's MacLab Theatre.

Teaming up with the [Alberta Professional Planners Institute \(APPI\)](#), PKN 23 will be built on an urban planning theme. The PKN 23 selection committee is seeking five urban planning-related presentations, as well as five other unique topics to round out an engaging and inspirational evening of idea-sharing.

Derived from the Japanese phrase for, "the sound of chit chat," Pecha Kucha Nights are an international sensation where the region's most engaged current and future leaders present their innovative thoughts. Once chosen, participants will present their topic with the help of 20 images for 20 seconds each. This distinctive format keeps the presentations fast-paced, concise and entertaining for attendees.

Join the conversation today! Submit your presentation idea for PKN 23 by **August 14** at edmontonnextgen.ca/pkn.

Edmonton's NextGen gratefully acknowledges Stantec for its generous support as sole presenting sponsor of Pecha Kucha Nights.
