Edmonton Transit System to launch safety and security campaign

Media are invited for the launch of an Edmonton Transit System safety and security advertising campaign with Transportation Services General Manager Dorian Wandzura. This unveiling will include a mock scenario aboard an LRT car.

Date: Tuesday, August 18, 2015

Time: 1:30 p.m.*

Location: Platform level, Corona LRT station
Accessible from Jasper Ave. and 107 St. or 108 St.

*Please note, as we will be boarding a train during active service for a mock scenario and need to keep the trains on schedule, opportunities for questions and answers will take place once we disembark.
