

Pool and ice rinks temporarily close at The Meadows Community Recreation Centre

The Meadows Community Recreation Centre will temporarily close the swimming pool and ice rinks for a construction warranty shutdown between September 8 and October 31, 2015.

The facility will remain open with most registered and drop-in programs continuing as normal. Minor interruptions to the fitness centres, indoor playground, gymnasium, exercise studios and multipurpose rooms are anticipated.

The Meadows Community League space, Edmonton Public Library and Rejuvenation Health Services will remain open and operate normally.

Members of The Meadows Community Recreation Centre are encouraged to use the swimming pool and ice rink at a neighbouring City of Edmonton Recreation Centre during this temporary shutdown.

The City of Edmonton is committed to providing our recreational users with quality facilities. Mandatory warranty shutdowns and maintenance work ensures facilities are safe, secure, efficient and clean for patrons to fully enjoy.
