

Changes proposed to Strathearn Heights Apartments site

Residents are invited to a public meeting on proposed changes to the zone that applies to the Strathearn Heights Apartments site, located north of 95 Avenue NW between 87 Street NW and 90 Street NW.

Date: Tuesday, September 29, 2015
Time: 6:30 to 8:30 p.m., brief presentation at 7 p.m.
Location: École publique Gabrielle-Roy, 8728 93 Avenue NW

The proposed changes to the zoning include:

- incorporating a commercial property located at the north west corner of 95 Avenue NW and 87 Street NW to allow for a more continuous commercial street edge;
- expanding the amount of commercial space, and
- increasing the height of select buildings in the southern portion of the site near the future planned LRT stop on 95 Avenue NW.

The maximum number of residential units on the site will remain the same.

This meeting will be an opportunity to learn more about the proposal and provide feedback to the City and the applicant. Feedback will be summarized in a report to City Council for a final decision on the proposed zoning changes.
