

Proposed rezoning in Westmount for mid-rise residential building with street level commercial uses

Residents are invited to a public meeting to share their thoughts on a proposal to rezone property at 10622 - 124 Street NW from a Low Intensity Business Zone (CB1) to a Site Specific Development Control Provision (DC2).

Date: Monday, October 5, 2015

Time: 7:00 p.m.

Location: Westmount Community Centre, 10970 - 127 Street NW, Edmonton, AB

The proposed rezoning would allow for the development of a mid-rise (approximately six storey) residential building with pedestrian oriented commercial uses at street level. The meeting will be an opportunity to learn more about the proposal and provide feedback to the City and the applicant. Feedback will be summarized in a report to city council for a final decision on the rezoning.
