

## Walterdale Bridge project update and site tour

Significant progress is visible throughout the Walterdale Bridge site these days – from big red towers to river dredging and more. Join Roads Design and Construction's Walterdale Bridge team for an update on the status of the bridge work and what to expect in the coming weeks.

**Date:** Thursday, October 22, 2015

**Time:** 10 a.m.

**Location:** Northeast corner of Kinsmen Sports Centre parking lot ([view map](#))

Members of the media will have the opportunity to take a tour of the construction site and view the arch steel pieces. There will be a safety overview before the tour.

### NOTE:

- Full personal protective equipment (PPE) will be required for the site tour. This includes steel-toed boots, hard hat, safety vest and protective eyewear. Media representatives are asked to please provide their own PPE. Due to site conditions, heels or open-toed shoes of any kind are not allowed.
- A **maximum of two** representatives from each media outlet will be allowed on site.
- A reminder that this is an active construction site. Visitors are required to follow safety guidelines and stay within the tour area at all times.
