

City planning new parking at Kinsmen Park

The City of Edmonton is looking for feedback on two proposed concepts on how to best design parking facilities in Kinsmen Park.

Date: Thursday, November 5, 2015
Time: 2 - 8 p.m.
Location: Kinsmen Sports Centre (main floor hallway)
9100 Walterdale Hill

New land has recently been acquired west of Walterdale Road for parking at the Kinsmen Sports Centre. The two proposed concepts will show options for parking in the new area and the permanent parking north of the Queen Elizabeth Outdoor Pool.

The feedback gathered on the two designs will be incorporated into a parking concept plan. The plan will incorporate how to best maximize existing parking supply, identify options to expand parking and improve pedestrian circulation between the current parking lots and the facilities and amenities in the park.
