

Ritchie gets a transformation with Four Corners

The City of Edmonton invites interested residents to learn more about upgrades to the main commercial area in the Ritchie community by attending a drop-in information session.

Learn about plans for the Four Corners at 76 Avenue and 96 Street, and offer feedback on proposed lighting and streetscape improvements that will benefit local businesses and residents.

Refreshments will be provided, and residents are encouraged to stop by anytime. City staff, local business owners, developers and members of Ritchie Community League will be there to answer questions.

Date: Thursday, November 26, 2015

Time: Drop in 6:30 – 8:30 p.m.

Location: Ritchie Hall (7727 – 98 Street)

The [Corner Store Pilot Project](#) aims to support small local commercial centres in mature neighbourhoods, helping renew them as community hubs and encouraging residents to shop local.
