Date: Wednesday, November 25, 2015
Time: 5 – 6:30 p.m. or 7 – 8:30 p.m., choose one of the two workshop times
Location: Christ Church (12116 102 Avenue)

Jasper Avenue is Edmonton's main street. It has the potential to be a vibrant destination that serves the diverse needs of our community – as a gathering place, a commuter route and a place where people work, shop and play.

In recognition of its importance, the City of Edmonton is engaging in a design process to imagine its future. Tomorrow's workshop is the kick-off event and will develop the guiding vision and a set of planning principles for the streetscape.

This is a family-friendly event with fun workshops and activities for children.

Anyone who is unable to attend can share their thoughts through an online survey available between November 25, 2015 and January 4, 2016. They can also share a photo and their vision for Jasper Avenue on Twitter or Instagram using the hashtag #ImagineJasperAvenue.
