

Proposed rezoning in Prince Rupert for a four-storey apartment

Residents are invited to a public meeting to share their feedback on the proposed rezoning of a property located at 11460 - 112 Avenue NW in the Prince Rupert neighbourhood.

Date: Wednesday, December 2, 2015

Time: 6:30 - 8 p.m., with brief presentation at 7 p.m.

Location: Central Lions Recreation Centre, 11113 - 113 Street NW

The proposed rezoning to a (DC2) Site Specific Development Control Provision retains the intent of the current zoning to allow for a four storey apartment building with commercial uses at street level and on-site parking. If approved, the rezoning would allow for the maximum number of residential units to be increased from 18 to 24.

The meeting will be an opportunity to learn more about the proposal and provide feedback, which will be summarized in a report to city council for a final decision on the rezoning.
