Date: Thursday, December 3, 2015
Time: 5:30 – 8 p.m.

The purpose of the concept plan is to ensure the streets tie-in to recent improvements in the neighbourhoods and to align renewal with existing planning and revitalization initiatives in the area. The goal of the project is to enhance walkability and neighbourhood livability.

City staff will be on hand to share information and answer questions about the concept planning study. Those unable to attend may share their thoughts through an online survey available between December 1 and December 24.
