

## Get a sneak peek of Rogers Place

You've watched Rogers Place rise from the ground and followed along on the live construction cameras. Now here's your chance to get a first-hand look at one of Edmonton's largest and most talked about construction projects.

This "sneak peek" will give people the opportunity to get a rink-side view of the entire bowl and a chance to see the Downtown Community Arena. As the building is under construction, access is limited to these two viewing points to ensure everyone's safety.

More details will be shared closer to the day, but for now mark your calendars as this will be your one and only chance to see the building in-person before it's finished!

**Event:** Rogers Place Sneak Peek Event

**Date:** Saturday, January 16, 2016

**Time:** 11 a.m. to 2 p.m.
