

## Public to get a sneak peek of Rogers Place on January 16

On Saturday, January 16, it's everyone's chance to get a first-hand look at one of Edmonton's largest and most talked-about construction projects. This "sneak peek" gives people the opportunity to get a rink-side view of the entire bowl of Rogers Place, and a chance to see the Downtown Community Arena. As the building is under construction, access is limited to these two viewing points to ensure everyone's safety.

**Date:** Saturday, January 16, 2016  
**Time:** 11 a.m. - 2 p.m. (be in line no later than 2 p.m. to enter the facilities)  
**Location:** Rogers Place, entrance at 101 Street - 104 Avenue

Access to the line-up area opens at 10:30 a.m. Dress for the weather as individuals may be in line for some time depending on interest. Please do not show up early as we have no warm-up facilities on site. Wear sturdy and warm shoes/boots for walking on dirt paths and uneven terrain. Safety equipment is not required.

Visitors are encouraged to take public transit. There are several ETS routes, including the LRT, within a short walk of Rogers Place. Regular rates apply.

There is no drop off zone, so please park and walk to the site. Information on parking Downtown Edmonton can be found [here](#). Please do not park in residential areas surrounding Rogers Place.

104 Avenue is closed between 101 – 103 Street for this event. Detour using Jasper Avenue, 102 Avenue or 107 Avenue.

### Please remember:

The day is expected to be busy. For the safety of all guests, please follow these rules:

- No food or drinks permitted inside the building.
