

## City shares safety strategies for Scona Road intersection

The public is invited to an Open House to learn more about traffic safety strategies for the intersection of Scona Road, 99 Street and Saskatchewan Drive.

**Date:** Monday, January 18, 2016

**Time:** 5:30 - 8:30 p.m., presentation at 6:30 p.m.

**Location:** Strathcona Centre Community League Hall (10139 - 87 Ave)

The strategies were developed as a result of two independent safety assessments and input from the community. The results of these studies will be presented and residents are invited to share their thoughts on the safety measures in place and on proposed intersection safety improvements.

Those unable to attend can share their thoughts through an online survey available between January 19 and February 1, 2016 at [edmonton.ca/SconaRoad](http://edmonton.ca/SconaRoad).
