

## Pool to temporarily close at Clareview Community Recreation Centre

Clareview Community Recreation Centre will temporarily close the swimming pool for a construction warranty shutdown from February 1 to March 28, 2016.

Work on the aquatics area ensures all mechanical, filtration and chemical systems are working as designed before the warranty expires. The facility will remain open with most registered and drop-in programs continuing as normal. Minor interruptions to operation of the fitness centre, indoor playground, gymnasiums, exercise studios and multipurpose rooms may occur.

Members of the Clareview Community Recreation Centre are encouraged to use swimming pools at other City of Edmonton Recreation Centres during this temporary shutdown.

The Clareview branch of the Edmonton Public Library and Clareview Multicultural Centre will remain open with regular operating hours.

As part of The City of Edmonton's commitment to responsible project management, all new facilities are required to undergo a full maintenance inspection during the first year of operation to ensure all aspects of the building are working as designed prior to the warranty expiration.
