

Hardisty pool reopens following regular maintenance

Patrons and newcomers are welcome back to Hardisty Fitness and Leisure Centre after completion of regular, required maintenance. The facility will reopen to the public on Saturday, January 30, 2016.

Regular maintenance ensures our facilities are safe, secure and clean for Edmontonians to fully enjoy. In addition to regular maintenance and deep cleaning of the full facility, the air conditioning system was upgraded in the fitness centre.

As part of the City of Edmonton's commitment to providing sustainable, quality facilities, all recreation centres undergo regular maintenance, which requires a shutdown every two years. We thank the community for its patience during the shutdown.

Annual memberships are available at all City of Edmonton Recreation Centres. For more information on facility hours, programs and schedules, please call 311 or visit edmonton.ca/recreationcentres.
