

## Proposed rezoning in Strathcona

Residents are invited to an open house to provide additional input on the proposed rezoning of a property at 10125 - 84 Avenue NW.

**Date:** Tuesday, February 23, 2016

**Time:** 5:30 p.m. – 9 p.m.

**Location:** King Edward School, 8530 - 101 Street NW

The original application proposed rezoning the site from an RF5 Row Housing Zone to a DC2 Site Specific Development Control Provision to allow for the development of a 4-storey apartment building with up to 42 units. The proposed rezoning was presented at Public Hearing on October 19, 2015 and city council passed a motion requesting the City to work with the applicant and the community to consider row housing options for this parcel of land.

An associated amendment to the Strathcona Area Redevelopment Plan is also proposed to facilitate the rezoning.

The open house will be an opportunity to discuss row housing options and provide feedback to the City and the applicant, Kennedy Architecture. Feedback will be summarized in a report to City Council for a final decision on the rezoning.
