

## Proposed rezoning in Forest Heights for a residential tower

Residents are invited to an open house to provide feedback on the proposed rezoning of a property at 7730 101 Avenue NW in the Forest Heights neighbourhood.

**Date:** Wednesday, March 9, 2016

**Time:** 6 p.m. - 9 p.m.

**Location:** First Filipino Alliance Church, Basement, 10115 79 Street NW

The proposed rezoning of the site from a DC2 Site Specific Development Control Provision to a new DC2 would allow for the development of a 19-storey residential tower connected to a 6-storey building with an active residential and commercial frontage facing 101 Avenue NW. The proposed development would include a maximum of 300 residential units, and provide all required parking underground.

The open house will be an opportunity to learn more about the proposed rezoning and to provide feedback to the City and the applicant, GMH Architects. Feedback will be summarized in a report to City Council for a final decision on the rezoning.
