

## Census workers needed to count Edmontonians in

Opportunities are available for Edmontonians who want to serve their community, have some fun and earn some extra money taking census information door-to-door. It is an ideal job for university students or people who are currently working part time. If you are a people person, detail-oriented, familiar with tablets and enjoy walking, this is a great way to make some extra money.

Hours are flexible and census workers can complete their area during the day, evening and weekend beginning April 15, 2016. Census workers are required to complete a three-hour training session during the first two weeks in April. Position descriptions, compensation details and the online applications are available at [www.edmonton.ca/census](http://www.edmonton.ca/census)

For more information, call 780-496-8008.
