

## Shuttle bus in place during repairs to Belvedere LRT Station elevator

The elevator that connects the pedway with the platform at Belvedere LRT station will be unavailable from March 15 to 18 and again from March 21 to 24, 2016 as maintenance work is carried out.

Bus shuttle service between Belvedere and Coliseum stations will operate during the elevator closure for ETS customers who are not able to use the escalator or the stairs. The shuttle will run at 15-minute intervals from 5:30 a.m. to 1:30 a.m.

For the most up-to-date information on elevator closures, please call the LRT Elevator Information Line at 780-496-4154.

Edmonton Transit System (ETS) thanks LRT riders for their patience while we carry out this maintenance work.
