

Proposed rezoning in Oliver for an apartment building

Residents are invited to an open house to provide feedback on the proposed rezoning of a site located on two parcels of land at 10135 118 Street NW from (DC1) Direct Development Control Provision to (DC2) Site Specific Development Control Provision.

Date: Wednesday, March 23, 2016
Time: 7:00 p.m. – 9:00pm
Location: Oliver School, 10227 - 118 Street NW

The proposed rezoning would allow for the opportunity to develop the current parking lot into a 45 metre (approximately 15 storeys) tall high-density apartment building with surface parking located at the rear of the building and an underground parkade.

An update to the map in the Oliver Area Redevelopment Plan (ARP) would also be required to reflect the rezoning.

The open house will be an opportunity to learn more about the proposal and provide feedback to the City and the applicant, IBI Group Inc. Feedback will be summarized in a report to City Council for a final decision on the rezoning.
