

New community bike routes proposed

The City of Edmonton is hosting an open house to share proposed new bike route locations for 40 Avenue between 106 Street and 119 Street.

Date: Saturday, March 19, 2016
Time: 1 p.m. - 4 p.m. (presentations at 1:30 and 3 p.m.)
Location: Royal Gardens Community Hall (4030 – 117 Street)

City staff will present cycle track and shared-use path options for 40 Avenue and 43rd Avenue, connecting communities and cyclists to the wider bike network. These proposed bike route locations are an alternative to the on-street bike lanes along 40 Avenue which were removed in August 2015.

The proposed bike route locations are based on feedback the City received from local residents. The City consulted with residents to get their input on how to balance community needs with the installation of bike routes in the area.

City staff will be on hand to answer questions and gather residents' thoughts on the location options being presented.
