

## Unplug for Earth Hour 2016

Edmontonians are invited to join the City of Edmonton in celebrating Earth Hour 2016. Join millions of people around the world by turning off your lights and unplugging to show your commitment to climate change action.

**Date:** Saturday, March 19th, 2016

**Time:** 8:30 p.m. - 9:30 p.m.

**Location:** Your home, the office, and all over YEG

Every year, millions of people around the world participate in Earth Hour to promote energy reduction and recognize environmental and climatic changes on earth.

City buildings and the High Level Bridge lights will be dimmed to celebrate this annual event. Street lights will remain on schedule (for safety reasons). Edmontonians are encouraged to reflect on actions they can take to support positive climate change and to reconnect with friends and family, unplugged!

Use these hashtags to get your friends and neighbours on board as well! #changedclimatechange #earthhour
