

Information Session: Borden Park Natural Swim Experience

Community members are invited to learn more about the updated design and construction plans for the Borden Park Natural Swimming Experience.

Date: Thursday, April 7, 2016

Time: 5 p.m. - 7 p.m. *Note: there will be no formal presentations.*

Location: Borden Park Pavilion, 7507 Borden Park Road

The City of Edmonton is hosting this information session to share the project's revised design - to fit within the available budget - and to discuss construction updates and timelines.

The Borden Park Natural Swim Experience will be the first public amenity of its kind in Canada, providing a unique recreation opportunity for Edmontonians. The pool will use a more environmentally sustainable method of water filtration instead of chemicals or mechanical sterilization.
