

## Construction coming to 127 Street

April 5, 2016

The City of Edmonton is hosting an open house to share reconstruction plans for 127 Street between 118 Avenue and Yellowhead Trail. Traffic disruptions are anticipated throughout the construction season.

**Date:** Wednesday, April 6, 2016  
**Time:** 5 p.m. – 8 p.m. (presentation at 6:30 p.m.)  
**Location:** Prince Charles School (12325-127 Street)

This meeting is an opportunity for area residents and business owners to learn about the final project design, proposed construction schedule and pedestrian, transit and traffic detours. City staff will be on hand to answer questions and guide residents through the information boards and design maps.

Road reconstruction will include the complete removal and replacement of the four-lane roadway, renewal of streetlights, curbs and gutters and some sidewalks. To ensure the road work is completed in one construction season, lane closures are anticipated. The City invites citizens to come and review how this will impact their commute.
