

## Get involved: Beaumaris Lake public meeting

April 26, 2016

Residents and property owners are invited to attend a public meeting about amenities needed at Beaumaris Lake. The lake has been chosen as a pilot project to help City staff determine how to better maintain and upgrade stormwater lakes across the city.

**Date:** Wednesday, April 27, 2016  
**Time:** 4:30 p.m.-7:30 p.m.  
**Location:** Castle Downs Park Pavilion, 11524 153 Avenue

Feedback from this meeting and future meetings will be used to:

- Address immediate maintenance issues at Beaumaris Lake
- Create concept plans
- Help City staff apply for funding for a city-wide stormwater lake condition assessment program in the next budget cycle (which starts on January 1, 2019).

Edmonton has more than 230 stormwater management facilities. Some, including Beaumaris Lake, have been in service for 30 years or longer.
