

## Recommended plan ready for 122 Avenue

April 26, 2016

The City of Edmonton will share the recommended concept plan for the reconstruction of 122 Avenue between 107 Street and Fort Road during 2017/2018. Citizens are invited to an upcoming public information session.

**Date:** Wednesday, April 27, 2016  
**Time:** Drop-In 5:00 p.m. - 8:00 p.m.  
**Location:** Delton Community Hall, 12325 - 88 Street

The concept plan aims to update the roadway to meet the needs of current and future users and to ensure the road design is consistent across the five neighbourhoods located along the road. Information boards will outline plan details and City staff will be on hand to answer any questions.

Road reconstruction will include the complete removal and reconstruction of road surfaces, curbs and gutters, and streetlights. Crosswalks along sections of the roadway have been improved, particularly near schools and major intersections.

Meeting material and an online survey will be posted on the project website beginning April 27, 2016.
