

## Wayfinding: Where it's at

May 3, 2016

Simply put, wayfinding is about knowing where you are, where you want to go and knowing how to get there. To help you do this, the City of Edmonton has gathered input from citizens on how to improve signage.

The new design standard, which is close to completion, will be presented at a drop-in open house.

**Date:** Wednesday, May 4, 2016

**Time:** 4 p.m. - 7:30 p.m. (Presentations at 4:30 p.m. and 6:30 p.m.)

**Location:** CityRoom, City Hall

The map based signage will be implemented in the busiest areas of the city. Installation will begin in the downtown core in the fall of 2016.
