

Building housing choices in Keheewin

May 10, 2016

The City of Edmonton invites residents to join the second community conversation on housing in the Keheewin community.

An undeveloped building site located at 1910 105 Street (north of the elementary school) in Keheewin will be developed with both market and affordable housing. The goal is to increase housing choice and help meet current and future housing needs in Edmonton.

Date: Tuesday, May 17, 2016
Time: 4:30 p.m. - 9 p.m.
30 min presentation at 5:00 p.m. repeated at 7 p.m.
Location: Keheewin School (1910 105 Street)

Learn about the project and the development process. Public input will help influence the type of residential development, as well as any additional features or secondary elements that could be incorporated as a benefit to all community residents.
