Psychologist and award winning author Susan Pinker is a seasoned observer of modern communications. In her book, *The Village Effect*, we learn about the importance of face to face contact in the digital era. Arts Activist and Co-creator of the Better Block Project, Jason Roberts, will be joining us to share his work and inspire us to take a look at how we can change our urban space to connect our communities and combat urban isolation. Researcher and author, John McKnight is known for his development of new tools that enhance the productive powers of families, neighbours and communities.

All proceeds will be donated to support iHuman.

*\*There will be an additional \$1.20 processing fee*
