

Public invited to view concept design for Rollie Miles Athletic Park

June 15, 2016

The City of Edmonton is developing a master plan for Rollie Miles Athletic Field District Park to guide its park renewal. This plan looks at the park's use, physical condition and functionality. Priorities may include replacing utilities and improving access, parking and park amenities, such as sports fields, facilities and supports for park operations.

A master plan concept, developed in consultation with the community along with feedback received from the public throughout the project, will be shared at a public open house.

Date: Thursday, June 16, 2016

Time: 4 p.m - 7 p.m.

Location: Room 201 (second floor), Strathcona Composite High School, 10450 72 Avenue

Please join us to view the concept and share your thoughts. The open house is a chance for the public to see the plan and provide additional comments before it's presented to City council this fall.
