

Construction begins for new ETS transit garage

Northeast Transit Garage to enhance Fort Road area

June 15, 2016

Media are invited to a construction launch and photo opportunity for the new Edmonton Transit System (ETS) Northeast Transit Garage. Ward Councillor Tony Caterina, City Manager Linda Cochrane and ETS Branch Manager Eddie Robar will kickoff construction with guests.

Date: Thursday, June 16, 2016

Time: 1 p.m.

Location: Northeast corner of Yellowhead Trail and Fort Road ([see map](#))

The \$186 million development will replace the Westwood Transit Garage, which is nearing the end of its life cycle. The over 500,000 square foot facility will transform highly visible, vacant land along Fort Road. The project will include a public landscaped area around the historic Canada Packers brick smokestack.
