

High Level Bridge west sidewalk closure

June 22, 2016

The west sidewalk of the High Level Bridge will be closed to allow for the completion of the installation of safety barriers on the bridge.

The closure is expected to last for one month. However, the sidewalk will reopen briefly from June 30 until July 4 to accommodate Canada Day celebrations.

After July 4, the sidewalk will close again until the safety rails project is complete.

Please detour using the east sidewalk of the High Level Bridge.
