

Share your views on Terwillegar Park parking lot expansion

July 4, 2016

Citizens are invited to provide their feedback on the expansion of the Terwillegar Park parking lot. As one of Edmonton's most popular parks, Terwillegar Park has a significant demand for parking. The City of Edmonton is proposing adding 112 new parking spaces to meet this demand.

Feedback can be provided either:

- Online at edmonton.ca/terwillegarpark from July 4 to 17, 2016.
- In person at Terwillegar Park on July 16, 2016, from 10 a.m. to 4 p.m.

The proposed longterm gravel parking lot would be located west of the existing lot and aligns with the City Council approved Terwillegar Park Concept Plan.

The process to approve this parking lot will be subject to detailed environmental studies, public engagement, and City Council approval.
