"River Crossing, also known as West Rosedale, is at the heart of our city. It is a place that is historically and culturally significant for many people, and where the history is long, layered, and deep," said Lisa Larson, Senior Planner, City of Edmonton. "It is a site that has been at the heart of trade, travel, kinship, spirituality, community, and culture for thousands of years."

The Pop-Up Museum will be an interactive opportunity to not only learn more about this past, but for attendees to also share their connection to the West Rosedale area. Attendees who have a photo or item related to the area are encouraged to bring the items to be shared and displayed at the event.
