

Rid pesky weeds from Kennedale Ravine

July 21, 2016

Help our native plants thrive and succeed. Residents are invited to take part in a Himalayan Balsam weed pull at Kennedale Ravine.

Date: Saturday, July 23 and Saturday, August 6, 2016
Time: 9 a.m. - 12 p.m.
Location: Meet at 2115 Hermitage Road, at the north parking lot near the dog park
Who: Everyone is welcome to participate. Enjoy a free barbecue after each weed pull event.

Weeds take over by spreading quickly, invading crops and entire ecosystems, infesting bodies of water and threatening native biodiversity. The noxious Himalayan Balsam is no exception and one of the biggest problems in our ravines!

Noxious weeds are regulated by the Alberta Weed Control Act. With your help, the City of Edmonton's green spaces can continue to flourish. Don't forget to wear long pants and sturdy shoes and bring sunblock and bug spray as necessary.
