

## ETS introduces solar technology to 40 bus shelters

July 27, 2016

Media are invited to learn how Edmonton Transit System (ETS) is using solar energy at its bus shelters. ETS is now using solar energy to light up advertisements displayed at 40 of its bus shelters. Until now, street lighting has been used to illuminate bus shelter advertisements at night.

**Date:** Thursday, July 28, 2016

**Time:** 10:30 a.m. - 11 a.m.

**Location:** 131 Street and Stony Plain Road (Westbound). [See map.](#)
