

Family and pet-friendly fun at joint campus event

August 18, 2016

The City of Edmonton's Animal Care and Control Centre (ACCC) has partnered with the Edmonton Humane Society (EHS) to host a public open house at their shared campus. This community event is designed to give the public a better understanding of what ACCC and EHS do, both separately and as animal care partners.

Date: Saturday, August 20, 2016
Time: 12 - 5 p.m.
Location: ACCC & EHS Campus - 13550 163 Street
Admission: Free Food and kid zone entry by donation)

Edmontonians are invited to come enjoy a day of family and pet-friendly fun. Guests can interact with shelter animals, find a forever friend and learn more about responsible pet ownership. ACCC and EHS animal care experts and officers will also be on hand to provide information on the importance of pet licensing and spaying/neutering.

With a children's activity area — including a bouncy castle, colouring station, face painting and a cotton candy station — scheduled facility tours, adoption and licensing promotions, collar exchange and food and refreshments, there's sure to be something for every animal-lover.

NOTE: Guests are asked to bring their pets only if they are well-socialized and accustomed to crowds.
