

## Aquatic centre at Terwillegar Rec Centre closing for maintenance

August 30, 2016

On September 6, 2016, Terwillegar Community Recreation Centre will temporarily close the doors of the aquatic centre for scheduled maintenance.

Patrons are encouraged to use their membership for admission to another City of Edmonton Recreation Centre during the shutdown.

Regular maintenance ensures our facilities are safe, secure and clean for Edmontonians to fully enjoy. As part of the City of Edmonton's commitment to providing sustainable, quality facilities, all recreation centres undergo regular maintenance, which requires a shutdown every two years.

Members are encouraged to speak to staff at the facility for information during the shutdown. Updates on the status and reopening of the aquatic centre will be available on the Terwillegar Recreation Centre webpage and the Recreation Centres [Facebook page](#). For a list of alternative facilities during the shutdown, visit [edmonton.ca/reccentreshutdowns](http://edmonton.ca/reccentreshutdowns).
