September 21, 2016

Media are invited to the Mechanized River Valley Access project site for a construction update and unveiling of the art piece selected through the City of Edmonton's Percent for Art program. Representatives from the Edmonton Arts Council and River Valley Alliance will be in attendance.

Date: Thursday, September 22, 2016
Time: 10 a.m.
Location: Hotel Macdonald (10065 100 Street)
We will meet in front of the Hotel Macdonald and walk to the construction site.

Following the project update, members of the media will have the opportunity to view the project from the top of the promontory. Due to limited space and active construction there will not be a site tour. B-roll video and images of the site will be provided.

NOTE: No personal protective equipment is required, however please wear footwear appropriate for a construction site and weather appropriate clothing.
