

Planning a bright Whyte future

September 23, 2016

Whether you live, work, travel, shop or play on Whyte Avenue, we want to hear from you! Join us for the second [planWhyte](#) workshop on September 28. The workshop will provide updates on the project, present phase one feedback and show draft planning concepts for discussion. Come share your thoughts and help create a bright future for Whyte Ave.

Date: Wednesday, September 28, 2016
Time: 6 - 9 p.m.
Location: Roots Community Building at 8135 102 Street

The goal of the planWhyte is to understand how the area's heritage, character and livability can be further strengthened while exploring opportunities for additional development over the next 20 to 25 years. The study will examine heritage, land use, urban design, transportation, and development opportunities outside the core heritage commercial area.
