

Have your say on Civic Precinct surface renewal

October 21, 2016

The City of Edmonton is hosting a public open house to share information and get public feedback on proposed surface renewal of the downtown Civic Precinct.

Date: Monday, October 24, 2016
Time: 4 - 8 pm
Location: City Hall Room, 1 Sir Winston Churchill Square

Drop in and share your thoughts on the Civic Precinct surface renewal, which is needed to improve accessibility and safety, as well as to make area maintenance more sustainable. The scope of work includes:

- Replacement of the tiles around City Hall;
- Integration of the 102A Avenue road closure between 99 Street and 100 Street with City Hall and Churchill Square;
- Renewal of the East Garden turf (on the east side of Churchill Square) with a more durable surface that can accommodate area festivals and public activities.

The Civic Precinct is an important City asset: a family-friendly, lively urban gathering space in the heart of Edmonton's downtown. The area includes City Hall, Sir Winston Churchill Square, and Centennial Plaza south of the Stanley A. Miner Library.
