

Track ETS buses anywhere, any time with real-time information

October 24, 2016

Media are invited to join ETS Branch Manager Eddie Robar for a demonstration of how Smart Bus technology allows ETS riders to track their bus in real time on every route in the city. All 928 buses in the ETS fleet are now Smart Bus equipped, completing a \$18 million project which was started in 2011. Jake Sion, Chief Operating Officer, for the "transit" app will also make a presentation.
