

Get involved: Mill Creek Water Quality Study public meeting

November 2, 2016

As part of ongoing efforts to improve stormwater quality across Edmonton, the City is working to address water quality and erosion issues in Mill Creek.

Water quality treatment options were discussed at a previous open house in June. Residents are now invited to provide final feedback to ensure that the selected options will effectively serve both the environment and community.

Date: Thursday, November 3, 2016
Time: 5 p.m. - 7 p.m.
Location: C3 Church, 9425 76 Avenue
