

## EnerGuide helps homeowners increase energy-efficiency

November 21, 2016

Media are invited to join Councillor Michael Walters and homeowner Meaghen Allen to learn how an energy evaluation can improve a home's energy efficiency. In 2017, the City will be proposing a made in Edmonton labelling program using home evaluations as required information for opt-in participation.

**Date:** Tuesday, November 22, 2016

**Time:** 9 a.m.

**Location:** 11127 63 Avenue

The home energy labeling program is a foundational component of the City of Edmonton's Community Energy Transition Strategy. The home energy labeling program is a foundational component of the City of Edmonton's Community Energy Transition Strategy. The evaluation is also part of the Federal government program [EnerGuide for Homes](#).
