

City plans rehab work on Groat Road Bridges

November 22, 2016

The City of Edmonton is planning to rehabilitate three bridges in the Groat Road area during the summer of 2018. Edmontonians are invited to a public information session to see plans for the work and to provide feedback.

Date: Tuesday, November 29, 2016
Time: 4 - 8 p.m.
Location: Royal Mayfair Golf Club, 9450 Groat Road

The bridges are:

- Groat Road Bridge over the North Saskatchewan River
- Groat Road Bridge over Victoria Park Road
- Emily Murphy Park Road Bridge over Groat Road (Mayfair Bridge)

The bridges are in generally good condition, but are in need of major rehabilitation. They were built in the 1950s and 1960s. The project will also include the reconfiguration of the Groat Road interchange north of the river.
