

Century Park is getting a new look

Rezoning open house and Park & Ride relocation planned

November 24, 2016

Residents are invited to an open house about the proposed rezoning of the Century Park site (former Heritage Mall area), next to the Century Park LRT station. An application has also been made to amend the Kaskitayo Outline Plan to allow the rezoning.

Date: Wednesday, November 30, 2016
Time: 6 p.m. - 8:30 p.m. (drop-in anytime)
Location: Rideau Park School (Gymnasium),
10605 - 42 Avenue

The rezoning would update existing plans to allow more development flexibility, increase the residential density, and add a commercial main street. The open house is an opportunity to learn more about the proposal and provide feedback to the City and the applicant at this early stage in the review.

Park & Ride

The current free parking section is moving to a new, paved location at Century Park due to private landowner development on the existing free parking site. The new site holds the same number of free stalls as the existing free parking section. Features include: paved parking lot; paved walkway to bus transit centre and LRT station; installed light fixtures; CCTV security cameras; blue emergency help phone.

Transit Park & Ride customers are reminded the number of free stalls in the new section remains the same but free parking remains limited. Customers are encouraged to join the waitlist for a paid stall, carpool, arrive early, take a bus to the LRT station, or use free parking with express bus service from Lewis Farms bus transit centre (87 Ave. west of Anthony Henday Dr.) or the Davies Lot (86 St. & 61 Ave.).
