

Winter ETS bus schedule changes begin this Sunday

November 30, 2016

In order to optimize service delivery, Edmonton Transit System (ETS) will introduce minor schedule and route changes for 12 routes starting Sunday, December 4.

Schedule changes will go into effect on routes 12, 115, 128, 150 and school specials due to the completion of construction on 127 Street. Schedule changes will also be made on routes 23, 30, 32, 33, 36, 38 and school specials now that work on the 53 Avenue bridge is finished.

Riders are encouraged to plan ahead by double-checking bus schedules, and to stay warm longer by instantly tracking their bus with [real-time tools](#).

ETS adjusts bus routes five times a year. Some changes are seasonal or more significant in order to accommodate customer feedback, ridership patterns, new communities or construction.
