Sorting holiday waste

December 30, 2016

The City of Edmonton collects more than twice the amount of waste and recycling in the two weeks after December 25 than is typical for the rest of January and February combined. Disposing of waste correctly is critical for the smooth operation of Edmonton's waste management system.

Media are invited to join Erika Droessler, Education Programs Coordinator for Waste Management Services, as she explains how to properly take care of holiday waste.

Date: Tuesday, January 3, 2017

Time: 12 p.m. (noon)

Location: [Administration Building](#) at Edmonton Waste Management Centre, 250 Aurum Road NE

Please gather in the lobby of the administration building at 12 p.m. sharp to be escorted to the Materials Recycling Facility.
